Kiama and District Business Chamber

Dear local residents, visitors, member businesses and other local businesses,

Covid-19 has meant that over the last two years we have been faced with the most difficult trading conditions many of us have ever witnessed.

In this time our local businesses have displayed incredible adaptability and resilience.

Your continued support means that our local businesses will be well equipped to navigate any challenges that lie ahead.

By supporting and promoting our diverse range of local businesses you are also providing much needed local employment opportunities.

Thanks for shopping locally.

Cameron McDonald, President KDBC

The natural beauty in our gemstones and our surrounds, never ceases to amaze us. Sara Handmade Jewellery is our expression of this so that we can share it with you. At Sara Handmade Jewellery we have an eye for detail, an eye for sourcing the most amazing gemstones from all over the world and then turning them into beautiful pieces to be the envy for all to see. A Gemmologist by trade, Sara knows beautiful memories deserve to be remembered. Set them in stone with a visit to Sara Handmade Jewellery and let us create something brilliant, and heirloom piece to be passed down for generations.

The PROPPR® is an Australian designed and owned bathroom foot stool to get you in the proper 'squat position' during your 'official bathroom business'. As humans we are designed to squat in order to eliminate properly. But since the advent of the western pedestal toilet, this innate instinct has largely been lost; causing a host of avoidable health problems.
